## Aquatic Restoration Activities Project Tracking Summary Clear Creek Watershed February 12, 2019

The following activities **have been implemented** on Forest Service lands within the Clear Creek watershed:

Project Name	Quantity	NEPA Type/ Year	Year Completed
Clear Creek Culvert Replacement			
Clear Cr MP 21.3, Brown Springs MP 16.1, Hoodoo, and WF Clear	4	EA/ 2011	2012
Clear Cr MPs 22.4, 22.7, and 22.8,	3		2013
Road 650D Culvert Removal	1		2013
South Fork/West Fork Clear Cr Road Decommissioning	50 miles	EA/ 2011	2012-2015
Road 650H Reconstruction			
Road reconditioning Culvert replacements	1.9 miles 5	DM/ 2012	2012
Brown Springs Culvert Replacements	2	CE/ 2013	none

The following activities **are planned** on Forest Service lands within the Clear Creek watershed:

Project Name	Quantity	NEPA Type/ Year	Estimated Year of Completion	
Clear Creek Culvert Replacement				
SF Clear 1 and 2, Kay	3	EA/ 2011	2020	
WF Clear (Rd 1106)	1		2022	
Clear Ridge Non-system Road Decom				
Estimated culvert removals	30	CE/ 2015	2025	
Estimated miles treated	65 miles			
Clear Creek Integrated Restoration Project				
Road decommissioning	13.2 miles	EIS/2019	2019-2025	
Culvert removals (minimum)	8			
Road improvement (where needed)	120 miles			
Culvert replacements	69
